Arts and Humanities Fair Friday, October 2, 2009

Dear Educator,

In an effort to introduce high school faculty and students to the wide variety of programs offered in the Arts and Humanities, Hope College is again sponsoring the Arts and Humanities Fair. We hope that through firsthand experience of the college atmosphere, high school students may come to know and appreciate the nature and the challenge of college work in the Fine and Performing Arts and in the Humanities, as offered at Hope College. On behalf of the Faculty and Staff of the Arts and Humanities Divisions, we invite you and your upper-level students to participate in our 2009 Fair.

Sincerely,
Dean William D. Reynolds
