

Organismal Biology

Quiz 1 (10 points)

Name:

Class Time:

1. The total number of possible point that you can earn in this course is
 - A. 900
 - B. 1050
 - C. 2000
 - D. **1000**

2. The required text for this course is
 - A. Biology, 6th Edition by Solomon, Berg and Martin
 - B. Biology, 6th Edition by Cambell
 - C. **Biology, 1st Edition by Brooker, Widmaier, Graham, Stiling**
 - D. Biology, 7th Edition by Cambell

3. How many 1-hour lecture exams will there be in this course?
 - A. 5
 - B. **4**
 - C. 3
 - D. 2

4. How many biology seminars are you required to attend?
 - A. 1
 - B. 3
 - C. 5
 - D. **2**

5. When is your first lecture exam scheduled to take place?
 - A. 14 February
 - B. **30 January**
 - C. 5 February
 - D. 2 March

6. The names of the two lecture instructors for this course are
 - A. **Drs Swarthout and Fraley**
 - B. Drs Swarthout and Gurley
 - C. Drs Swart and Evans
 - D. Drs Swarthout and Evans

7. You will only get credit for lecture assignments if you attended the class sections in which they were assigned.

A. True

B. False

8. Which of the following best describes the primary purpose of Biology 260?

A. To help you identify plants and animals in Michigan.

B. To help you prepare for the GRE/MCAT exams.

C. To help you understand how animals and plants function at the organismal level.

D. To increase the size and complexity of your biological vocabulary.

9. Which of the following is not one of the objectives of the lecture component of this course?

A. Expand your knowledge about the principles of plant and animal anatomy, physiology and development.

B. Increase your knowledge about selected details of plant and animal anatomy, physiology and diversity.

C. Increase your ability to integrate new knowledge about biology with previously learned knowledge.

D. Improve your chances of getting into medical or dental school.

10. Which of the following activities/attitudes can help you do your best in Biology 260?

A. Reading the textbook assignment before coming to class.

B. Attend every class session.

C. Participating in class by answering questions asked by the instructor, contributing to group work, and taking accurate and complete notes.

D. All of the above.
