INTERNSHIP PROGRAM

Application for Admission, page 2

Have you already had an internship? If so, where? What were your responsibilities? Was this internship for credit?

What courses have you taken or what experiences have you had that you feel have prepared you for an internship at this time?

Attach a written statement indicating the goals and objectives you seek to accomplish through an internship. Concentrate on personal growth, skill and learning goals and indicate how an internship experience might help you to achieve each.

Please check the communication courses you have taken and indicate when they were taken and the grade received.
