Experience

JP Morgan Chase, Chicago, IL Summer 2008

HR Intern – Rotational internship in Retail Financial Services, Private Client Services, and Commercial Banking.

- Performed initial phone screens to determine if personal banker candidates should proceed in interview process.
- Interviewed teller candidates and coordinated interviews with managers.
- Researched names and contact information for several hundred prospective candidates for Private Client Services.
- Created an Access Database that allows college recruiters to effectively track applicants.
- Wrote job descriptions and compiled data to create attrition reports for Commercial Bank Compensation.
- Assisted training staff and introduced ways to improve the intranet site for the Credit Education Program.

Eames and Jackson, Holland, MI

Spring 2008

Project Consultant – Project through a professor for a boutique consulting firm specializing in corporate strategy.

- Analyzed leadership assessment results for a strategy project in the food services industry.
- Interpreted survey results and identified potential problems and opportunities.
- Developed materials for consultants to present findings to the client's executive team.

Denison Consulting, Ann Arbor, MI

Summer 2007

Intern – Consulting firm specializing in corporate culture surveys and leadership assessments.

- Collaborated on creation and launch of a leadership development program.
- Performed content research and market research to determine program cost and targeted market segment.
- Interacted with potential customers who had already used other products provided by Denison.

Springhill Camps, Ewart, MI

Summer 2006

Counselor – Summer camp that serves over 10,000 attendees every summer.

- Lead a cabin of 12-16 middle school boys.
- Unified cabins creating a sense of team.
- Managed conflict resolution for campers and other counselors.
