

ADVISING INFORMATION
Spring 2010 - Summer 2010
Accounting, Economics, and Management Students

CURRENT AND FUTURE ACCOUNTING & MANAGEMENT MAJORS:

It is recommended that both ACCT 221 (Financial Accounting) and ACCT 222 (Managerial Accounting) be completed by students by the end their sophomore year. Neither of these classes have any prerequisites. Both are prerequisites for ALL upper level accounting and management classes.

NOTE: Please do not sign up for both ACCT 221 and ACCT 222 the same semester. There is limited space.

For Acct majors planning careers in public accounting and taking the CPA exam, and who will be taking Auditing in the Spring, you must sign-up for **BOTH** ACCT 423.01 (4 credits) **AND** ACCT 495.01 (2 credits). In prior years the class met for 6 hours per week, but students only earned 4 credits; beginning this Spring, students will earn 6 credits.

MGMT 222 (Management Perspectives and Theory) requires that a C- or better be earned in order to enroll in other management courses (*this applied to students who entered Hope College in 2009 or after*).

NOTE: MGMT 371 (Financial Management) will not be available Spring 2011; therefore, students should plan to take MGMT 371 as early as the prerequisites allow.

MGMT 401 (Management Seminar): Senior Status is required for enrollment

MGMT 390 (Internships in Vocation) serves as an **ELECTIVE** in the Management Major. **MGMT 391 (Internships and Seminars in Vocation)** or **MGMT 401 (Management Seminar)** serve as the capstone Management Seminar requirement for the Management Major. If a student has previously taken MGMT 390, they must take MGMT 401 to satisfy the seminar requirement. They may not take MGMT 391.

Please make sure to check the prerequisites listed on Major check sheet.

Management Minor: **is not** allowed with an Accounting Major

Accounting Minor: **is** allowed with a Management Major

OFF-CAMPUS COURSES:

To receive credits towards the major for off-campus courses, the following form must be completed:
"Application for Major/Minor Waiver/Substitution"

TRANSFER CREDITS

Transfer credit courses need to be 4 credits or an additional credit will be required.

Philadelphia and Chicago Semester

We strongly recommend that students participate in these off-campus programs which offer valuable internship opportunities. Internship credit may be applied to meet the Management major elective requirement.

Internships

Internships in Vocation (ECON or MGMT 390) will be offered May, June and July Terms and will be offered in the Fall Semester. Accounting Internships (Practicums) are offered during June Term and July Term.
