

*Sign-in sheet passed around by Membership officers

*President expressed a "thank you!" to all of those that participated in the Halloween Party, Reverse Field Trip, and Student Teaching Panel

*The following are the events were discussed for next semester:

- Reverse Field Trip(s): There are a few teachers that are interested in bringing their classes to Hope next semester. No dates are set yet, but we are thinking sometime towards the beginning of next semester. Start thinking about this and how we can get more Hope students involved!
- First Year Teacher Panel: We decided on trying to put together this panel for next semester. Again, no specific dates yet, but it will be a great informational event for those searching for personal information and stories about the first year of teaching.
- Valentine's Day Party: This is currently scheduled for Wednesday, February 13th. We are inviting all of the group homes again. Think about some fun and creative crafts or games for this event!
- Hope Basketball Game: We are going to attempt to bring the adults from the group homes to a Hope basketball game. Possible dates for this include Wednesday, January 30th at 8:00 pm (vs. Tri-State) and Wednesday, February 6th at 7:30 (versus Olivet).
- Also, we talked about the possibility of playing some kind of sports game against a Special Olympics team.

*Our next CEC meeting will be Wednesday, January 16th from 5-6 pm in VanZoeren!
