Discussed events planned for the semester:

\*Friday Night Bowling (an event where we go and watch some men from local group homes bowl, give them some support, and just have fun and talk with them!): planned for September 21, 6:00/7:00-9:00 p.m. This will be at Holland Lanes on 9<sup>th</sup> and Central.

\*Homecoming (again, men from local group homes come and walk in the parade with the CEC banner, and watch the football game afterwards): on October 6. There will be more information on times for this when the even gets closer.

\*Halloween Party (with adults from local group homes): scheduled for Wednesday, October 31. We discussed having a costume contest, cookie decorating, dancing, pumpkin painting, ordering pizza, and some other great game ideas. Again, times for this will come later.

\*Reverse Field Trip: planned for Friday, November 9. A 6<sup>th</sup>-8<sup>th</sup> grade Emotional Impairments classroom from Grand Haven will come for the day. Later, you will be able to sign up for shifts of playing games/basketball with them, going to Phelps for lunch, taking them to the Biology Zoo, giving a dorm tour, and possibly having a scavenger hunt.

\*Student Teaching Panel: tentatively scheduled sometime during the week of November 12-16. Hope students that are currently student teaching will be speaking about their experiences, answering questions, and giving some great advice!

Some new activity ideas discussed for this semester included:

- \*Playing an athletic game against a Special Olympics team
- \*Having a Christmas party with adults from local group homes
- \*Going on an apple orchard trip
