

The Freshman Engineering Prize

This award is given to recognize the achievement of the best first-year student in engineering. The award indicates that the student has the ability to understand the basic concepts of the discipline and to express that understanding clearly. This year's award went to **Leah Patenge** of Fremont.

The Senior Engineering Prize

The Senior Engineering Prize is given to the senior student who has been chosen the outstanding student in engineering. The award was presented to **Mark Pannaggio** of Muskegon.

Van Putten Engineering Design Prize

The Van Putten Engineering Design Prize is given by the Engineering faculty to a graduating engineering student who shows exceptional ability, interest and accomplishment in engineering design. Named in honor of Professor James Van Putten in recognition of his accomplishments in engineering design and his efforts to establish the engineering program at Hope College. The award was presented to **Gregory Pavlak** of Hopkins.
