WHAT CAN I EXPECT AT MY JUNIOR REVIEW?

1. Conversation with the faculty regarding your artistic concerns.
2. Feedback on conceptual and technical competencies
3. Advice or suggestions for internship opportunities and post graduate goals

HOW TO PREPARE FOR MY JUNIOR REVIEW

- All work should be set up the night before your review is scheduled. Indicate where your junior review will take place so that the faculty aren't confused when looking for you or your work.
- You should be available 15 minutes prior to your junior review and allow 15 minutes beyond the review time. This will prevent us from looking for you or rushing through your review time to stay on schedule. The whole review should only take about 20 minutes, but you should plan on staying about an hour.

WHAT DO I BRING TO MY JUNIOR REVIEW?

- Completed reverse side of the junior review form
- Completed list of courses taken
- Completed Reflections on Artistic Intent- fill out on the computer and bring a paper copy to your Jr. review.
- 15 – 20 pieces of recent completed works, along with key foundational pieces or studies, for the faculty to review. *This should be a representation of work from all of the studio classes you've taken at Hope.*
- Resume & CD Portfolio
- Statement of Intent to teach (a.k.a "why do I want to be an Art Teacher?") - fill out on the computer and bring a paper copy to your Jr. review.
- Open mind and willingness to interact (that means talking) with the faculty
