First time PLUS borrowers must sign an electronic promissory note. See page 2 for information.

A parent or stepparent of a dependent student may borrow under the PLUS program. PLUS applicants must pass a credit check before funds are approved.

The Loan Maximum is the student's cost of attendance minus other financial aid received. You determine the amount to borrow based on the portion of the bill you want to cover with the loan. The Expense Planner on the Office of Financial Aid website may be of help.

Interest Rates and Fees

The current interest rate is fixed at 7.9%. A 2.5% origination fee is withheld from the gross amount.

Repayment or Postponement

The first payment on a PLUS is due within 60 days after the loan is fully disbursed. The borrower may elect to postpone payment, however, while the student is enrolled at least half time. Interest accrues if not paid. To postpone payment of interest, principal or both, the borrower must call Direct Loan Services at 800-848-0979 after the loan is approved.

Application Process

A FAFSA must be filed for the student for whom the loan is being taken and **the parent borrower must submit this completed application** to the Hope College

Office of Financial Aid. It may be faxed. **All information must be complete and legible, including the email address, or processing will be delayed.**

The Office of Financial Aid transmits the information to the Direct Loan processor where a credit check is processed. The approval or denial is transmitted back to the Office of Financial Aid.

If the credit check is denied, the Direct Loan Servicer notifies you that you may provide an endorser. If you forego an endorser, the student may request additional Federal Direct Unsubsidized Loan. The Office of Financial Aid also notifies the parent of the PLUS denial status and the options.

Promissory Note and Funds

A parent borrowing for the first time for the student must complete an electronic Master Promissory Note. Once we receive the acknowledgement of the signed note, the funds pay to the student's account, but no earlier than 10 days before the start of the semester.

Instructions for completing the PLUS application

Complete the information legibly and accurately. The first section of the form requires **only the student's information**. The second part of the

form is information for **only the parent who is borrowing the loan**. Retain a copy for your records.

Parent's address: Direct Loan Services directs all correspondence concerning the loan to this address. *Do not use a PO Box.*

Submitting the Application

Mail the completed application to:

Hope College
Office of Financial Aid

Signing the PLUS Master Promissory Note (MPN)

See the MPN information brochure provided with the student's award notification for complete information.

- The parent borrower electronically may sign the MPN at any time. You do not have to wait for the PLUS to be processed before completing the note.
- The parent borrower must have a Federal PIN (www.pin.ed.gov).
- The parent borrower accesses the Direct Loan MPN website at <https://dlenote.ed.gov/empn/index.jsp>
- Click on "Complete New MPN for Parent PLUS Loans in the left column"

Tips for successful Signing

- The parent borrower information used to complete the MPN must match exactly to the information provided on the PLUS application submitted to the Office of Financial Aid. Refer to your copy of the application when completing the MPN.
- Recheck input of the Social Security number and date of birth for both the student and the borrower.
- After receiving a confirmation in Step 8, continue by minimizing the confirmation screen and proceeding with the remaining screens.
- You are done when you see "Success! Now print your MPN."
- Print a copy of the note for your records.
