

INVEST Retirement Program

All employees who worked at least 1000 hours during the previous benefit year and are expected by the College to do so during the existing benefit year will be eligible to participate in the retirement program. The College contributes 10.5% of salary in a 403(b) defined contribution plan (INVEST plan). The amount received at the time of retirement is based on the amount of money accumulated in the individual's account. Information regarding current investment vehicles are available in Human Resources.
