

Hope College "Walk to Work Program"

A stable core-city neighborhood is vital to the mission of Hope College and to the Holland Community. The "Walk to Work Program" has been established to combat neighborhood deterioration, to improve the quality of life for members of the community, to serve as a catalyst for further efforts to improve core city neighborhoods, and to assist employees in building equity with home ownership.

The "Walk to Work Program" provides financial purchase and renovation incentives for benefit eligible Hope College and Creative Dining Services employees desiring to live in these targeted neighborhoods surrounding the College. Employees interested in this benefit are encouraged to visit <http://www.hope.edu/admin/hr/benefits/index.htm> for specific policy details and information regarding the application and purchase process.
