

COURSE REGISTRATION WORKSHEET

NAME: _____

MAJOR: _____

1. Class schedule search: https://plus.hope.edu/PROD/hxskschd.P_hopeSchedule
2. In the first column, write the names and numbers of the courses you want to take (e.g. IDS 171, etc.)
3. If you have chosen REL 100, list *several section numbers* on one line of the worksheet.
4. In the second column, write the number of credits for each course you listed. If you want private music instruction, let us know what instrument and for how many credit hours (3 credits for music performance majors; 2 credits for others).
5. Finally, in the last column, put an (X) for the course you most want to have in your fall schedule. You must check 12 – 16 credits. If space is available, we will enroll you in those classes. **The more options you have given us, the easier your registration will be.**
6. If you have questions about your schedule, we'll contact you via your Hope College e-mail account.
