**ANNUAL EXPENSES
[CDS G1]**

Please provide 2011-2012 academic year costs for the following categories that are applicable to your institution.

Check here if your institution's 2011-2012 academic year costs of attendance are not available at this time and provide an approximate date (ie., MM/DD) when your institution's final 2011-2012 academic year costs of attendance will be available: /

Also, please update or verify your 2010-2011 academic year costs. List the typical undergraduate tuition, required fees, and room and board for a full-time undergraduate student for the **FULL** 2011-2012 academic year (use 30 semester hours or 45 quarter hours for institutions that derive annual tuition by multiplying credit hour cost by number of credits). A full academic year refers to the period of time generally extending from September to June, usually equated to two semesters or trimesters, three quarters, or the period covered by a four-one-four plan. Room and board is defined as double occupancy and 19 meals per week or the maximum meal plan. **Required fees** include only charges that all full-time students must pay that are **not** included in tuition (e.g., registration, health, or activity fees.) Do **not** include optional fees (e.g., parking, laboratory use).

AID AWARDED TO ENROLLED UNDERGRADUATES 2010

26 . (CDS H1). Enter total dollar amounts awarded to enrolled full-time and less than full-time degree-seeking undergraduates (using the same cohort reported in CDS Question B1, "total degree-seeking" undergraduates) in the following categories.
