As you complete the fall registration worksheet, please follow these guidelines:

- Carefully read all sections of the Guide for Registration.
- The First Year Seminar, IDS 100, is required for all first year students. List 10 sections that interest you and 5 that do not. IDS 100 is a 2-credit class.
- In the "Additional Courses" section, type in the first column the subject and course numbers you selected when you read the Guide (e.g. IDS 171, ENGL 113, FREN 101, ART 114).
- If you request English 113 or Religion 100, please list several section numbers on a single line of the worksheet (e.g. ENGL 113 – 02, 12, 05, 15 or REL 100 – 01, 08, 03).
- In the second column, type the number of credits for each course you listed (credits are listed in the Guide). For private music instruction, please indicate your instrument and credit hours desired (3 credits for Music Performance Majors; all others 2 credits).
- Select 13-16 credits you most desire by placing a check mark in the last column. **Don't forget to add in the 2-credits for your required IDS 100 (FYS).** If space is available, we will prioritize your schedule accordingly.
- In the space at the end of the worksheet, please include any additional information that may be helpful as we build your class schedule.
- Should any questions arise during registration, we will contact you via your Hope College e-mail account or the phone number you've listed on the worksheet.
