

May 2011

Dear Hope College Class of 2015,

Welcome! I'm delighted that you'll be joining our learning community this fall. This packet contains some of the materials you will need to select your first semester classes at Hope College.

Please check to verify that this information is included

- Cover letter (what you're reading now)
- Foreign language recommendation slip
- Suggestions for using the on-line registration materials (yellow half-sheet)
- Course scheduling information for health professions (blue sheet)
- Information about music courses (white brochure)
- Course scheduling information those considering elementary and special education (bright pink sheet)
- Information about general chemistry offerings (green sheet)
- An orange envelope with two very important accounts

The *Guide for Registration*, booklet describing FYS classes, and many other resources are posted on-line <http://www.hope.edu/admin/registrar/>; the yellow half sheet (Suggestions for using the on-line registration materials) offers some suggestions.

CONFIDENTIAL: two very important accounts have been created for you (see the orange envelope)

Please log into BOTH accounts now and put the orange envelope (and its contents, passwords, ID#, and PINs ☺) in a safe place—you'll need this confidential information to complete your on-line registration worksheet and information for your academic advisor.

- your official Hope College e-mail account (*left side* of the goldenrod sheet)
- your KnowHopePlus account (*right side* of the goldenrod sheet)

On Tuesdays throughout the summer, I will send you information via your Hope email.

Please set aside some time--an afternoon or evening, for example--to read the *Guide for Registration* carefully. A hurried attempt will be frustrating. After you've read the materials, we're happy to help with any questions—via e-mail, phone, or in-person—check the *Guide for Registration* for details.

After you've read the *Guide for Registration* and selected course, you'll enter your choices on-line: <http://www.hope.edu/admin/registrar/worksheet/> and complete the on-line information for your academic advisor: <http://www.hope.edu/admin/registrar/advisorinfo/>

I look forward to welcoming you to campus in person on August 26th.

Sincerely,

Maura M. Reynolds
Director of Academic Advising
