

SPAN 195 (4 credits) *Intensive Beginning Spanish* meets the FL2 requirement in general education. This course is being offered for the first time in Fall 2008.

Span 195 is an accelerated and thorough study of material currently being taught in Span 121 & 122 (*Elementary Spanish I and II*).

Spanish 195 is aimed at

- students who have had at least two years of Spanish in high school and may need a more extensive review of topics covered in Span 121 than the current Span 122 offers;
- students who are highly motivated beginners and may have had experience in another foreign language.

Students who complete Spanish 195 will have completed the second language requirement in general education and will be prepared to enroll in Span 221.
