

College Life Interview

Conduct a short interview with a current college student. The student can be a UB tutor or other college student you know. The student should not be a family member. Please ask the following required questions and then two additional questions of your choice. **The interview must be typed for your portfolio.**

1. Name of College Student _____
2. Year in School _____ College Attending _____
3. Intended major _____ Intended Minor _____
4. Why did you choose the college you are attending and how did you know it was the right school for you?

5. What was the biggest adjustment you had to make during your first year of college?

6. How is college academic work different than high school academic work?

7. What have you enjoyed the most about being a college student?

8. As I prepare for college, what advice would you give me to help me be successful?

9. Your Question _____

10. Your Question _____
