"Our players look forward to team camp at Hope College every year not only because it is a chance to play basketball, but also they can hang out in their own team room in the dorms, participate in special contests and tournaments at night, and we always go to the beach as a team."

- **Mark Bray, Utica Ford**

"The opportunity for team building in the dormitory cluster setting, diversity of competition, great facilities, and good supervision has enabled our experience at the Great Lakes Team Camp to be exceptional."

- **Greg Mitchell, Laingsburg**

"The quality of the competition, coaches, players, and counselors is excellent...I love the team chemistry that occurs by living together in a private housing unit. Over many years this camp has been excellent for our team."

- **Rick Zoulek, Shelby**

"Your camp is in a league of its own. Sure you have good food, a beautiful campus, great team building opportunities and top of the line facilities; but it is the people that separate Hope from the rest."

- **Marc Smith, Delphos Jefferson, OH**
