Subject: Cable TV changes in Lichty/Brumler/Voorhees

Analog-to-Digital Cable TV Changes

HOPE COLLEGE
HOLLAND, MICHIGAN 49423

brought to you by **comcast.**

Hope College

Comcast, Hope College's cable TV provider, will start migrating some cable TV channels to digital service in the very near future. TV(s) in your residence hall room/apartment will need a special digital adapter box in order to receive these digital channels. Without this digital adapter box, channels that have been converted to digital service will be unavailable.

**Cable TV Changes for
Brumler Apartments, Lichty & Voorhees Halls**
Monday, October 5

Technicians from Comcast will be installing these digital adapters in each residence hall room/apartment in **Brumler Apartments, Lichty & Voorhees Halls on Monday, October 5.**

Comcast technicians, along with Hope College personnel, will enter each room/apartment for a brief amount of time to install and activate these devices.

If room residents are not present, a notice indicating the completed work will be left near the TV.

The digital adapter box is the property of Hope College and must be left within the room/apartment after students move out.

Frequently Asked Questions

The [Analog-to-Digital Cable TV web site](#) will be updated regularly with information. This will include a schedule of residence hall adapter distribution dates, basic troubleshooting tips, Comcast Customer Service contact information and where you can address further complaints via your State Representative and the FCC.
