

Dear Hope College Family,

Many Hope College students take advantage of the Hope College Debit Card. The Debit Card is a declining balance account that allows students the flexibility of purchasing food and beverages at the Kletz Snack Bar and the DeVos Fieldhouse Concessions.

We would like to make depositing money into your student's debit account more convenient. Please fill out the coupon below and send it with a check to the address to the right. We will immediately deposit the money into your student's debit account.

We are still offering the 10% bonus for any deposit made into a debit account. Here is how it works:

DEPOSIT:	\$100.00
10% BONUS:	\$10.00
TOTAL VALUE:	\$110.00
