Music Lyrics by Stephen Schwartz
Book by John Caird

From Stephen Schwartz (*Godspell* and *Wicked*) and John Caird (*Les Misrables*) comes a joyous musical about parents and children...not to mention centuries of unresolved family business! Freely based on the story of Genesis, *Children of Eden* is a frank, heartfelt and often humorous musical examination of the conflict between parents and their kids.

DeWitt Theatre - 8:00 PM

By Alan Ayckbourn

One of Britain's best playwrights introduces us to characters we meet with delighted recognition. In the frothy style of Alan Ayckbourn, *Taking Steps* is a wild ride in mistaken identity, misunderstandings and dysfunctional relationships in this ridiculously hilarious farce spanning just one night— and was that night spent in a haunted house?

By Bob Carlton

An award winning Rock 'n' Roll musical loosely based on the 1956 film *Forbidden Planet* and integrates the great works of Shakespeare and the hits of the sixties. The plot follows the crew of a routine survey flight under the command of Captain Tempest. Their spaceship is drawn mysteriously to the planet D'Illyria where mad scientist Doctor Prospero and his lovely daughter Miranda are marooned.

DeWitt Theatre - 8:00 PM
July 22, 23, 27, 29
August 2, 4, 8, 10, 13

by John Van Druten

One of the best-loved stories ever told of immigrants in America, this timeless play, based on the book *Mama's Bank Account* by Kathryn Forbes, became, not only a hit play, but successful radio and TV show and movie. The oldest daughter in this family of tightknit Norwegian immigrants in San Francisco at the turn of the century takes us through her memories of their struggles with family conflict, loyalty, crisis and financial problems—but most of all her memories of Mama.

Make HSRT the music and heart of your summer!

Book and Lyrics by Fred Alley
Music by James Kaplan

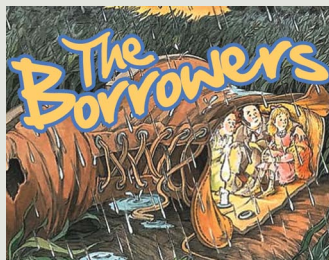

Set in an ice shanty in Northern Wisconsin, Lloyd and Marvin keep warm with a mutual appreciation for good bait, cold beer and the Green Bay Packers. As Marvin anxiously awaits his opportunity to appear on a cable TV fishing show, both pals scramble to protect their cold ones from fellow angler, Ernie the Moocher. They pass the time by swapping jokes and talking about their lives – and sometimes breaking into song and dance.
