

Back to the Classroom

Open Classes Friday, November 4

-  The professor for the class you are visiting is expecting guests. Feel welcome and comfortable in your role as a visitor.
-  Some classes are discussion oriented; others are lecture based, and others are interactive. The type of interaction between the professor and students will vary.
-  Feel free to talk with the professor before or after class. They are happy to spend a few minutes with visitors as time allows.
-  Please make every effort to arrive before the class begins and plan to stay the full time until the class ends.
