

# Parent Seminars

Saturday, November 7 at the Martha Miller Center  
Corner of 10th & Columbia

All sessions take place from 11:00 am - Noon

## Grades and Other Academic Issues

**MMC Room 158 11:00 am - 12:00 pm**

A panel of professors from a variety of disciplines will discuss midterm grading procedures and other academic issues. This panel is especially, but not exclusively, for the parents of new Hope students.

**Maura Reynolds**  
*Director of Academic Advising*

## Q & A with the Office of Career Services

**MMC Room 159 11:00 am - 12:00 pm**

The Office of Career Services will share resources and services offered for every stage of your student's vocational discernment and career planning process. This session will include opportunities to address your questions and discuss topics raised by the presenter and the participants.

**Sara DeVries**  
*Associate Director of Career Services*

## Campus Health Experts Panel

**MMC Room 135 11:00 am - 12:00 pm**

This session will feature a panel of campus and local health experts to answer your questions regarding public health on Hope's campus. Representatives from the health center and local health officials will be in attendance.

**Carolyn Mossing**  
*Physician Assistant at Hope Health Center*

**Cindy Sabo**  
*Registered Nurse  
Associate Director at Hope Health Center*

## Your Student at the CrossRoads

**MMC Room 242 11:00 am - 12:00 pm**

College is a time for students to think about their "calling" and future direction in life. The CrossRoads Project at Hope College helps students integrate faith, learning, and career goals. This session will provide an overview of the program and answer any questions you may have.

**Dr. Curtis Gruenler**  
*Associate Professor of English*
