

Appropriations Committee Application

Every year, the Student Congress Appropriations Committee is charged with the distribution of approximately \$400,000 through the Student Activity Fund (SAF). The SAF is used to pay for many of the student groups on campus including SAC, the Anchor, WTHS, and many more. The distribution of the SAF is one of the most important responsibilities of Student Congress and is guided by the vision of the Controller. With direction, you and five other committee members will help monitor spending by student groups this year and decide how to spend the next year's SAF. Applicants will be interviewed by the Controller and John Jobson and notified of the decision shortly. Please type your responses and submit applications electronically. Please send to **appropriations@hope.edu**

Class:

Expected Graduation year:

Campus Address:

Campus Phone Number:

Cell Phone Number:

Student Congress Position (indicate if not from Congress):

Major(s):

Minor(s):

Do you expect Congress and/or Appropriations to be a full year commitment? YES or NO

Why are you interested in serving on the Appropriations Committee?

Understanding that involvement in other student organizations may prevent you from remaining objective in allocating funds, please include a conflict of interest statement. List other organizations you are active with at Hope. Include any leadership positions you may hold.

Please describe any qualifications, past experiences, and/or skills that would make you a valuable member of the Appropriations Committee.

Please list times when you would be able to meet during the school week (Mon-Fri)?

Between February break and Spring break, will you have multiple nights per week available for budget allocations?
