Rush Rules

- 1.** To receive a bid you must be currently enrolled at Hope full time, have at least a 2.0 GPA and be in the process of completing a total of 24 credit hours.
- 2.** All Rushees must attend the Rush meetings designated as mandatory. Failure to do so may result in an individual not receiving a bid.
- 3.** The formal Rush period for 2012 is January 16th – February 4th.
- 4.** When two or more rushees are gathered with two or more actives (with whom they did not have a relationship prior to rush), it is considered a formal Rush event and a violation of Hope's Rush policy.
- 5.** There is to be no promising of bids or written/verbal persuasion from active to rushee and vice versa.
- 6.** No alcohol or illegal substances are allowed at any Rush events no matter where the event is located.
- 7.** No member of Greek Life may verbally demean another organization to a rushee.
- 8.** Once bids are handed out, a period known as "Silent Period" is in effect until either the rushee turns in a bid or Wednesday, February 8th, the day bids are due. Silent Period prohibits active members from discussing Greek Life with rushees and vice versa. In addition, it ensures that coercion of a rushee does not take place during his decision making process.
