Benefits-at-a-glance

This is intended as an easy-to-read summary and provides only a general overview of your benefits. It is not a contract. Additional limitations and exclusions may apply. Payment amounts are based on BCBSM's approved amount, less any applicable deductible and/or copay. For a complete description of benefits please see the applicable BCBSM certificates and riders, if your group is underwritten. If your group is self-funded, please see any other plan documents your group uses. If there is a discrepancy between this Benefits-at-a-Glance and any applicable plan document, the plan document will control.

Preauthorization for Select Services - Services listed in this BAAG are covered when provided in accordance with Certificate requirements and, when required, are preauthorized or approved by BCBSM except in an emergency.

Note: A list of services that require approval **before** they are provided is available online at bcbsm.com/importantinfo. Select **Approving covered services**.

Pricing information for various procedures by in-network providers can be obtained by calling the customer service number listed on the back of your BCBSM ID card and providing the procedure code. Your provider can also provide this information upon request.

Preauthorization for Specialty Pharmaceuticals - BCBSM will pay for FDA-approved specialty pharmaceuticals that meet BCBSM's medical policy criteria for treatment of the condition. The prescribing physician must contact BCBSM to request preauthorization of the drugs. **If preauthorization is not sought, BCBSM will deny the claim and all charges will be the member's responsibility.**

Specialty pharmaceuticals are biotech drugs including high cost infused, injectable, oral and other drugs related to specialty disease categories or other categories. BCBSM determines which specific drugs are payable. This may include medications to treat asthma, rheumatoid arthritis, multiple sclerosis, and many other diseases as well as chemotherapy drugs used in the treatment of cancer, but excludes injectable insulin.

Blue Cross provides administrative claims services only. Your employer or plan sponsor is financially responsible for claims.
